### Students' Feedback about Teachers (2019-20)

#### 1. Introduction

Feedback from the students has been generated by using structured feedback form with an aim to improve the quality of education in Dravidian University.

The feedback has been obtained from a cross section of students in the month of October, 2020, that is, at the end of the academic year 2019-20. Different parameters about teaching performance of teachers have been included in the evaluation form.

#### 2. Methodology

The form has been administered on a sample of 170 students pursuing different programmes offered in Dravidian University. The students have been picked up from different academic programmes. Feedback about every teacher's performance has been obtained from students on an Evaluation form comprising 22 students.

#### 3. Grading of Teacher

Every teacher has been given overall grading by each student in terms of A, B, C, and D.

#### 4. Follow-up Action

Suitable advice was given to teachers who needed improvement.
