

## DRAVIDIAN UNIVERSITY

STUDENT SATISFACTION SURVEY (SSS) 2020 – 2021  
Student Satisfaction Survey (Key Indicator 2.7.1)  
Under Criteria II on Teaching – Learning and Evaluation

### **Objective**

Student Satisfaction Survey (SSS) for the academic year 2020-21 was conducted among the students with an objective to measure the students experience and opinion on the faculty of concerned departments including teaching learning process and other fields. The questionnaire prepared as per the NAAC guidelines. The areas of survey covers the fields shown below.

- i. Basic information of the Student
- ii. Teaching, Learning Process
- iii. Communication Skills
- iv. Evaluation
- v. Promotion of Internship and importance of Field visits
- vi. Learning opportunities
- vii. Extracurricular activities.
- viii. Counseling and placement opportunities

### **Survey Methodology**

IQAC-DU formulated the survey process as per the NAAC guidelines through online in August 2021 for the academic year 2020-2021. The survey covered all the students where they are required to complete the SSS. 90 responses were received electronically, tabulated for analysis.

....

It's a great opportunities study in the Dravidian university with the learning more skills

It's our pleasure that studying in a such sufficient amenities provided in the university with improving our skills

Very well developed and improvement

To respond on irregular students to bring to class

Need to develop practical activities To

interact with students thoroughly

improve

We have very friendly lectures, who always help us in overcoming our fear, weakness and being more effective in learning and improving ourselves.

Their is nothing good

We undershooed whatever concepts offer we exciting that process

are are good in all positions

I could be a safe place

Everything is Excellent

Good environment Good

environment Campus

interview

Please provide placements Please

provinde the placements

Satisfaction

Provide opportunities like college placements, update courses according to current technologies

NO I dont

S

Need to provide some extra curricular activities like internships, industrial tours etcTeaching

should be in live method

Improve student knowledge and provide opportunities, job facilitiesGood

for all

Teaching should be in practical methods, internship programs , out of class teaching methods should improve

More activities

Provideing placements

Improve students facilities and provides campus interviews /campus selectionsPlacement

Very good

We don't have labs

Not proper light s, water facilities Not

available lab,not at all placementLab

I don't have lab

No lab facility

No lab no placement class room not good and no fan and no doors

Computer lab, No

water facilityNo

health centerNo

cantin

Computer lab not available

Electricity problem Classrooms

not good

Library

Lab . water.

Lab Improve

Technical skills

No projector room ;no labs; computer lab is not good their systems are not working

Computer subject was poor

Dravidian University college, education is very well, Good communication .Very

nice teaching

...

Lab facilities should have to improve to get effective practical knowledgeSuper

Try to teach every student and ask for their doubts

The teacher should improve their teaching skills and update with current details and make student friendly approach

Suggestion to improve
